

31 August 2022

Dear Principal,

School Nomination for HKAGE Membership 2022/23

Thank you for your continuous support to the Hong Kong Academy for Gifted Education (HKAGE).

The HKAGE is a government subvented organisation offering off-school gifted education programmes to students aged 10-18 in Hong Kong. With diverse enrichment programmes, advanced learning opportunities and personalised learning in the form of projects and research, we are dedicated to facilitating our student members to develop their gifted potential and excel in their talented areas. We always treasure the partnership with schools and teachers and we believe that we can work together to achieve our goal of nurturing our gifted generation for the well-being of their good selves and the betterment of our community.

Considering some gifted students who have talents in non-academic areas, the Principal's Nomination is added to enhance our current School Nomination for students who are gifted in leadership. With this enhancement, school principals of each secondary school can nominate one potential student of Secondary 2 to Secondary 4 to the HKAGE. Nominated students, being exempt from the Stage 1 screening, will be invited to submit their personal profiles for assessment as required in Stage 2. We will continue to explore the possibility of further extending the coverage to students with other talents in the years ahead.

I would like to take this opportunity to cordially invite your school to nominate your gifted students to the HKAGE as new members. Details of the nomination procedure are enclosed for your reference. I look forward to serving your students soon in the HKAGE and working with you in the development of gifted education in Hong Kong.

Yours faithfully,

Dr WONG Kam Yiu, Jimmy
Executive Director
The Hong Kong Academy for Gifted Education
