Dear Principal,

**Application for Admission to Screening Programme and
Nomination for Membership Scheme 2023/24**

Thank you for your continuous support of the Hong Kong Academy for Gifted Education (HKAGE).

As a government subvented organization, the HKAGE provides off-school gifted education programmes to students aged 10-18 in Hong Kong. Our commitment lies in offering diverse enrichment programmes, advanced learning opportunities and personalised learning through projects and research. We strive to empower our student members in developing their gifted potential and excel in their respective areas of talent. We highly value our partnership with schools and teachers, and firmly believe that through collaborative efforts, we can nurture our gifted generation for their personal growth and contribute to the betterment of our community.

Recognising that some gifted students possess talents in non-academic areas, we introduced the "Principal's Nomination" channel last year to admit students gifted in leadership. This enhancement enables school principals to nominate one potential student from Secondary 2 to Secondary 4 to the HKAGE. Nominated students are exempted from the Screening Programme and are invited to submit their personal profiles directly for assessment. Encouraged by the enthusiastic response, we will continue the "Principal's Nomination" to encompass more gifted students with diverse talents.

I would like to extend a warm invitation to your school to nominate your gifted students as new members of the HKAGE. Enclosed, you will find the details of the application procedures for your reference. I eagerly anticipate the opportunity to serve your students at the HKAGE and collaborate with you in advancing gifted education in Hong Kong.

Thank you once again for your continued support.

Yours faithfully,

Dr WONG Kam Yiu, Jimmy
