

HKAGE Signature Event

Principal's Nomination

To enhance the existing School Nomination specifically for students gifted in leadership, the Principal's Nomination has been launched starting from 2022/23. [Read more](#)

One of the signature programmes in the Leadership Training Programme Series is the Leadership Camp, which aims to enhance students' personal growth and self-discovery, building confidence and equipping them to manage challenges. [Read more](#)

Gifted Gateway

Moreover, the 25th HKAGE magazine, *Gifted Gateway* has been issued. The theme of the issue is "Brilliance Unleashed: Students Shone in The 15th Anniversary". [Read more](#)

Giving Back to the HKAGE

Being one of our staff members at HKAGE

Welcome to our alumna, Ms Tinsley DU, who has joined us as a Counselling Advisor in the School & Student Services Division. Hope she will enjoy working with HKAGE and contribute to the development of programmes to different stakeholders.

Upcoming Events

Alumni Reunion

The "Dialogue with Young Science and Technology Talents" was successfully held on 21 November 2023 where alumni were inspired by the young talents attended as sharing guests.

The next gathering "Alumni Happy Hour" is scheduled on 1 March 2024. For more details, please visit the [Alumni Programmes and Services website](#) and/or our social media platforms.

Regional Talks

Regional talks will be held for teachers and parents at our Satellite Centres in different regions. All interested alumni are welcome to join. Please visit [Gifted Education Satellite Centres](#) for more details.

Alumni's Story

Mr Lawrence YU

During childhood, Lawrence YU drew attention from his teachers due to his "hyperactive behaviour". Ironically, Lawrence was subsequently identified as a gifted student and admitted to the EDB's Support Measures for the Exceptionally Gifted Student Scheme.

Happy Sharing Corner

Gifted Gene Mapping that Works

Four gifted children from the same family joined the HKAGE as student members. Alongside the family's gifted genes, the open-minded and down-to-earth parenting plays a crucial role in nurturing the gifted kids. This enables the children to explore different things and expand their learning experiences. [Read more](#)
