Forthcoming Student Programmes and Events in June to August 2024
Programmes with Screening, First-come-first-served or Random Selection Programmes

Programmes with Screening:

There are different screening methods for these programmes, for example, online screening questions, written tests or other screening methods.

1. Student members are selected based on their performance in the screening. For details, please refer to the programme information.

2. If there is a time clash between the programme(s) being applied for and other programme(s) which the applicant has been admitted to, we will consider if the application will be accepted.

3. Student members should avoid applying for programmes with time clashes to each other.

4. The decision of the HKAGE on the result of the selection should be final.

First-come, first-served Programmes:

5. Enrolment for these programmes with limited capacity will be processed on a first-come, first-served basis.

Random Selection Programmes:

6. Student members would be selected randomly by the computer system.
